

A vise for any application!

A - SUPER AA VISE

Hardened lever operated jaws will hold a wide variety of hook sizes. Grooved stem enables the vise to be turned without losing your height setting. Comes with instructions and a material spring. Hook sizes - #20 to #2/0.

Order No. 420-302 Price: \$12.59

B- DELUXE MASTER VISE

A heavy duty vise with black no-glare finish and brass fittings. Head can be positioned to a comfortable angle. Comes with three jaw sets that allow you to firmly hold a wide range of hook sizes. The jaws can be rotated and fixed at any position without releasing the hook. Accepts hook sizes from #26 to #5/0.

Order No. 420-301 Price: \$25.99

C- SPRING VISE

Powerful spring loaded jaws hold hooks firmly without the possibility of slipping. Eliminates any adjustment to hold hooks. Head angle is adjustable. C-clamp mount holds vise firmly to workbench or table. Accepts hook sizes from #26 to #5/0.

Order No. 420-900 Price: \$35.69

D - SUPER II VISE

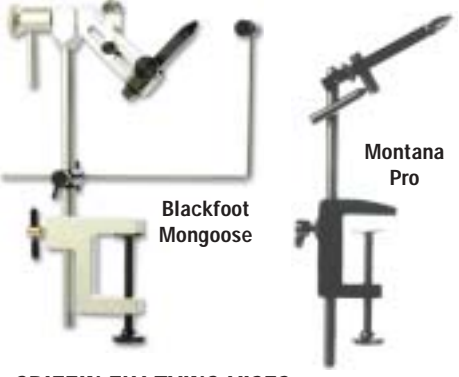

A very popular vise with fly tyers. Specially designed jaws help accommodate small hooks. Jaw angle is adjustable to suit your needs. 360° rotation allows you to turn over the fly without releasing the jaws. Single action makes changing hooks easy. Hook sizes - #26 to #4.

Order No. 420-303 Price: \$17.65

E - ROTATING VISE

This is a well made vise that will give you years of trouble free service. Rotation is smooth and easy to adjust. C-clamp mount holds vise firmly to workbench or table. Accepts hook sizes from #26 to #5/0.

Order No. 420-304 Price: \$44.59

GRIFFIN FLY TYING VISES

These are high quality, easy-to-use vises. All are convertible to improve tying position for left or right handers. Cam lever hook release on Montana and Patriot models. Instructions are clear and well illustrated. Proudly made in the U.S.A. and guaranteed for your lifetime.

Montana Pro - Expertly designed for ease of operation. Firmly grips hook ranging from 22 - 7/0.

Order No. 420-805 Price: \$77.95

Patriot - Includes both pedestal and C clamp base. Features full 360° rotation. Hook sizes 22-6/0.

Order No. 420-807 Price: \$174.95

Blackfoot Mongoose - Comfortable hand position. Includes cradle, material clip and carry case. True full 360° rotation. Firmly grips hook ranging from 28 - 4/0.

Order No. 420-806 Price: \$144.95

PEDESTAL BASE - Accepts any 3/8" shaft vise.

Order No. 420-809 Price: \$26.99

ODYSSEY SPIDER VISE - Loaded with features that include smooth 360° true rotation. C-clamp mount holds vise firmly to workbench or table. Includes bobbin cradle. Made in U.S.A., lifetime warranty. Accepts hook sizes from #28 to #4/0.

Order No. 420-810 Price: \$84.95

MATERIAL CLIP

Can be used on most any vise to hold body materials, thread, etc..

Order No. 420-449 Price: \$1.19

BINOCULAR MAGNIFIER

Lightweight construction makes this comfortable magnifier perfect for lengthy wear. Tilts out of the way when not in use. Can be used over eyeglasses. One size fits all headband. 2 1/2X magnification.

Order No. 415-715 Price: \$19.49

GARBAG

Helps keep things neat and clean around the tying bench. Catches those dropped hooks and beads before they hit the floor.

Order No. 420-461 Price: \$7.95
